

# BEST for THE WORLD ENVIRONMENT 2016

## All Best for the Environment Honorees

This list shows all companies that scored in the top 10 percent for their focus and impact on the environment. The honorees are segmented by company size, and then listed in order of score, with same scores earning equal rank. This list also showcases the number of categories for which a company is an honoree.

## Energy Savings

The percent of energy saved by a product compared with market alternatives, based on responses to the following question:

**"What is the average percent of energy reduction achieved by your company's product or service?"**

**40%** Average Savings Among Products of Best for the World Honorees\*

**27%** Average Savings Among Products of Other Businesses Surveyed\*\*\*

\*Based on responses from 94 honorees that design products to reduce energy use.

\*\* See <http://www.bthechange.com/stories/impact/certifications/best-world-criteria/> for definition of "other businesses surveyed."
