This list shows all companies that scored in the top 10 percent for their treatment of their employees. The honorees are segmented by company size, and then listed in order of score, with the same scores earning equal rank. This list also showcases the number of categories for which a company is an honoree.

Employee Ownership

Percentage of companies who responded "at least 25%" to the following question:

“What percent of the company is owned by full-time workers, excluding company founders, family members and executives?”
